

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS
BEAUMONT DIVISION

MICHAEL MATTOX §
VS. § CIVIL ACTION NO. 1:16cv354
EDWARD TRACY §

ORDER OVERRULING OBJECTIONS AND ADOPTING
THE MAGISTRATE JUDGE'S REPORT AND RECOMMENDATION

Plaintiff Michael Mattox, an inmate at the Ellis Unit, proceeding *pro se*, brought the above-styled lawsuit against Edward Tracy.

The court referred this matter to the Honorable Keith F. Giblin, United States Magistrate Judge, at Beaumont, Texas, for consideration pursuant to applicable laws and orders of this court. The Magistrate Judge recommends this action be dismissed as frivolous and for failure to state a claim upon which relief may be granted.

The court has received and considered the Report and Recommendation of United States Magistrate Judge filed pursuant to such referral, along with the record and pleadings. Plaintiff filed objections to the Magistrate Judge's Report and Recommendation. This requires a *de novo* review of the objections in relation to the pleadings and the applicable law. *See* FED. R. CIV. P. 72(b).

While plaintiff filed a general objection to the findings and conclusions of the Magistrate Judge, he made no specific objections to the Report and Recommendation. After careful consideration, the court concludes plaintiff's objections are without merit. For the reasons set forth in the Report, plaintiff's complaint is frivolous and fails to state a claim upon which relief may be granted.

O R D E R

Accordingly, plaintiff's objections are **OVERRULED**. The findings of fact and conclusions of law of the Magistrate Judge are correct and the report of the Magistrate Judge is **ADOPTED**. A final judgment will be entered in this case in accordance with the Magistrate Judge's recommendations.

So Ordered and Signed
